## *What does my day look like?*

The student day is 7:55-2:38. School doors open at 7:30. Bus riders will be released at 2:38, and all others will release at 2:45.

We will practice our math skills every day. SO, every day, come to class prepared to LEARN and WORK HARD!

Being prepared means having all materials for class, being on time, and having a GOOD ATTITUDE!

Our class is about 84 minutes long. We will have a class restroom or mask break each day. Some days, we will do our homework in class; others, you will be given problems to work on at home or in study hall.

## *What if I forget to take my book home?*

We have an ONLINE textbook also!!!!

You can log on from your Clever account to access the e-book.

Then, just do the homework assignment on a piece of paper.

You can also find the homework assignment on the class webpage: [www.sandersmath7.weebly.com](http://www.sandersmath7.weebly.com).

## *What happens if I am absent?*

You will need to get the NOTES you missed and make up any assignments that were taken for a grade.

1. Go to [www.sandersmath7.weebly.com](http://www.sandersmath7.weebly.com) to find out what module we covered for notes and what the assignments were.
2. Then, go to your paper book to find the notes and examples worked out for you. Study those and try the self check ones.
3. Then, do the missing assignment, whether it is a worksheet or problems in the paper book.
4. This assignment is considered “MISSING” until turned in to Mrs. Sanders.
